

Co2 Emission story

Top countries contributing Co2 Emi..	Co2 Emission Time Line	Total Co2 Emission by Continents	Emission rate over years	Co2 Emission by External factors	Donut Chart For Coal Co2	Donut Chart for Cement Co2	Donut Chart for Gas Co2	Donut Chart for Flaring Co2
--------------------------------------	------------------------	----------------------------------	--------------------------	----------------------------------	--------------------------	----------------------------	-------------------------	-----------------------------

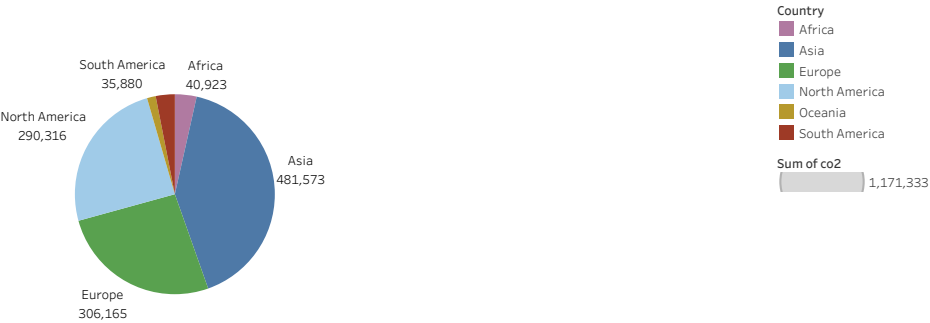

Co2 Emission story

Top countries contributing Co2 Emi..	Co2 Emission Time Line	Total Co2 Emission by Continents	Emission rate over years	Co2 Emission by External factors	Donut Chart For Coal Co2	Donut Chart for Cement Co2	Donut Chart for Gas Co2	Donut Chart for Flaring Co2
--------------------------------------	------------------------	----------------------------------	--------------------------	----------------------------------	--------------------------	----------------------------	-------------------------	-----------------------------

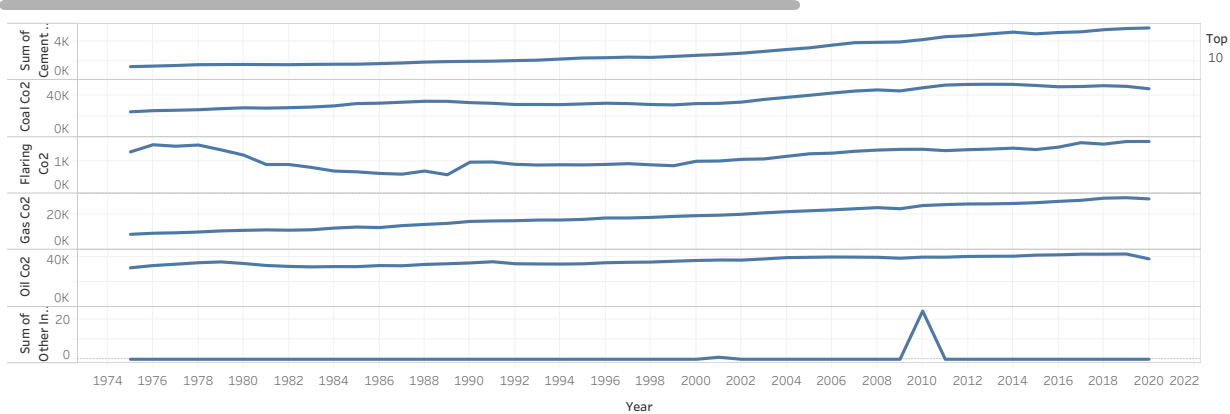

Co2 Emission story

Top countries contributing Co2 Emi...	Co2 Emission Time Line	Total Co2 Emission by Continents	Emission rate over years	Co2 Emission by External factors	Donut Chart For Coal Co2	Donut Chart for Cement Co2	Donut Chart for Gas Co2	Donut Chart for Flaring Co2
---------------------------------------	------------------------	----------------------------------	--------------------------	----------------------------------	--------------------------	----------------------------	-------------------------	-----------------------------

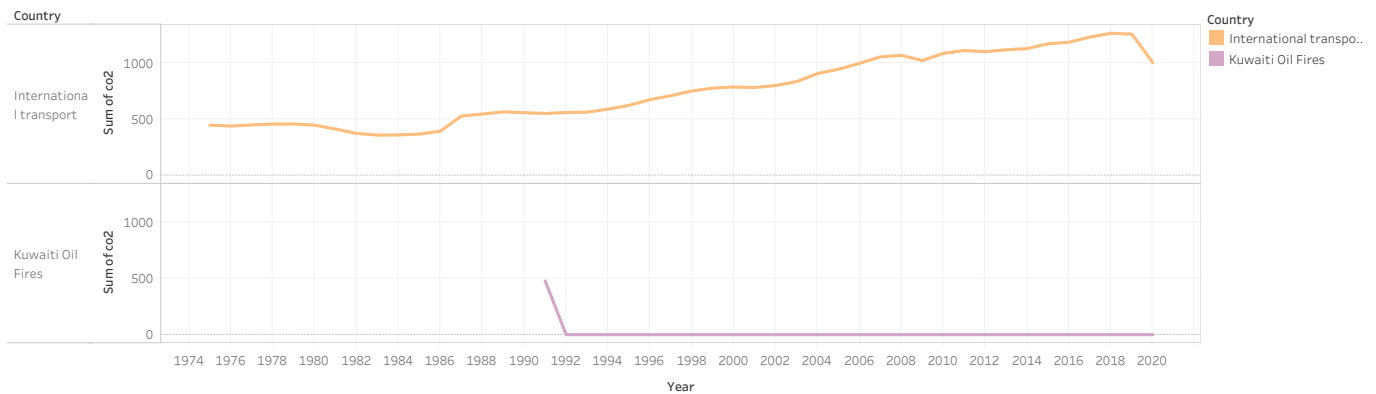

Co2 Emission story

Top countries contributing Co2 Emi..	Co2 Emission Time Line	Total Co2 Emission by Continents	Emission rate over years	Co2 Emission by External factors	Donut Chart For Coal Co2	Donut Chart for Cement Co2	Donut Chart for Gas Co2	Donut Chart for Flaring Co2
--------------------------------------	------------------------	----------------------------------	--------------------------	----------------------------------	--------------------------	----------------------------	-------------------------	-----------------------------

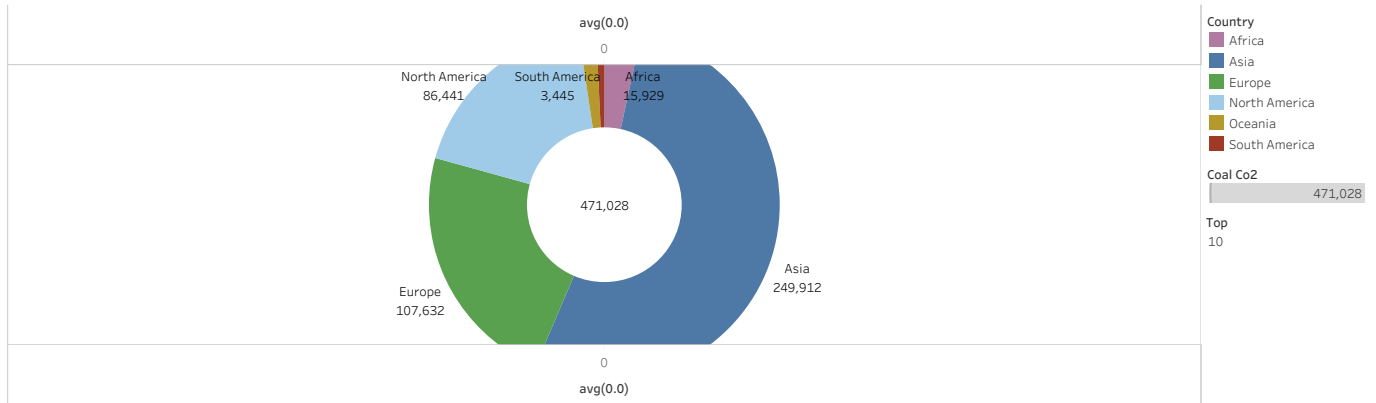

Co2 Emission story

Top countries contributing Co2 ...	Co2 Emission Time Line	Total Co2 Emission by Continents	Emission rate over years	Co2 Emission by External factors	Donut Chart For Coal Co2	Donut Chart for Cement Co2	Donut Chart for Gas Co2	Donut Chart for Flaring Co2
------------------------------------	------------------------	----------------------------------	--------------------------	----------------------------------	--------------------------	----------------------------	-------------------------	-----------------------------

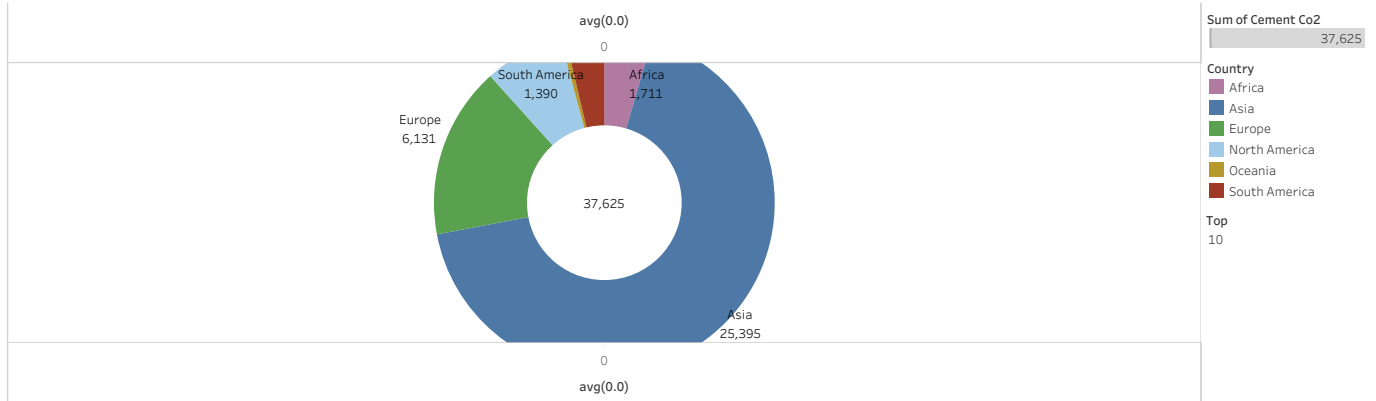

Co2 Emission story

Co2 Emission Time Line	Total Co2 Emission by Continents	Emission rate over years	Co2 Emission by External factors	Donut Chart For Coal Co2	Donut Chart for Cement Co2	Donut Chart for Gas Co2	Donut Chart for Flaring Co2	Continents contributing OIL Co2 ...
------------------------	----------------------------------	--------------------------	----------------------------------	--------------------------	----------------------------	-------------------------	-----------------------------	-------------------------------------

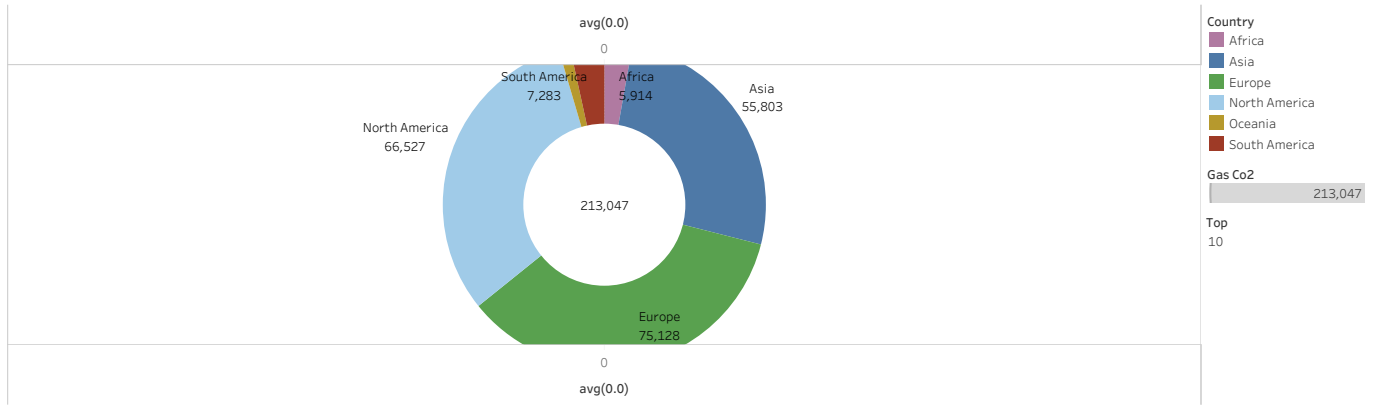

Co2 Emission story

Total Co2 Emission by Continents	Emission rate over years	Co2 Emission by External factors	Donut Chart For Coal Co2	Donut Chart for Cement Co2	Donut Chart for Gas Co2	Donut Chart for Flaring Co2	Continents contributing OIL Co2 ..	Co2 Emission over past 10 years
----------------------------------	--------------------------	----------------------------------	--------------------------	----------------------------	-------------------------	-----------------------------	------------------------------------	---------------------------------

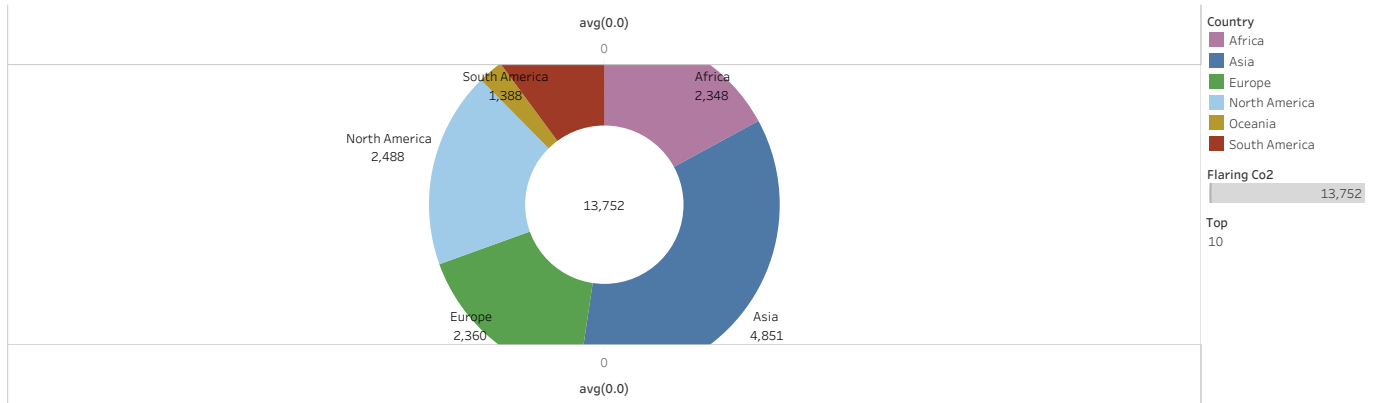

Co2 Emission story

Emission rate over years	Co2 Emission by External factors	Donut Chart For Coal Co2	Donut Chart for Cement Co2	Donut Chart for Gas Co2	Donut Chart for Flaring Co2	Continents contributing OIL Co2 ..	Co2 Emission over past 10 years	Co2 Emission by India and United States
--------------------------	----------------------------------	--------------------------	----------------------------	-------------------------	-----------------------------	------------------------------------	---------------------------------	---

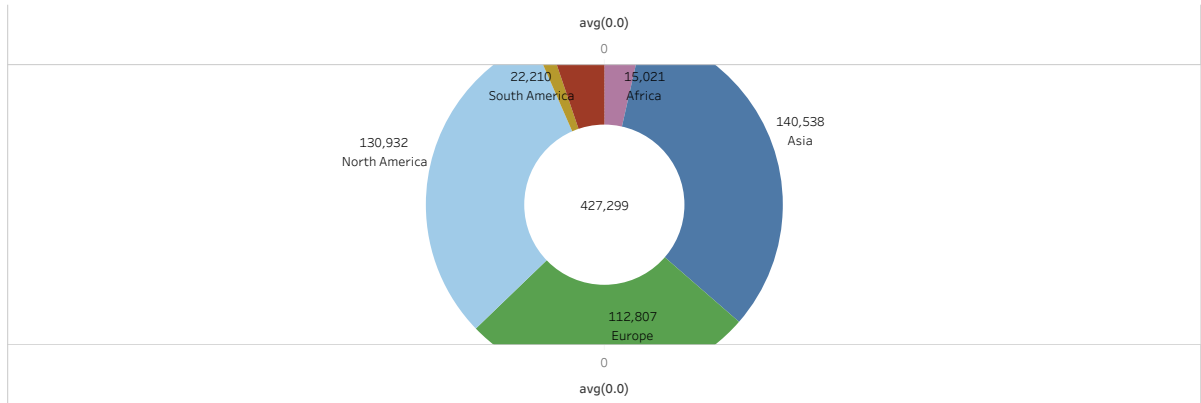

Co2 Emission story

Co2 Emission by External factors	Donut Chart For Coal Co2	Donut Chart for Cement Co2	Donut Chart for Gas Co2	Donut Chart for Flaring Co2	Continents contributing OIL Co2 ...	Co2 Emission over past 10 years	Co2 Emission by India and United States	China vs India in Co2 Emission
----------------------------------	--------------------------	----------------------------	-------------------------	-----------------------------	-------------------------------------	---------------------------------	---	--------------------------------

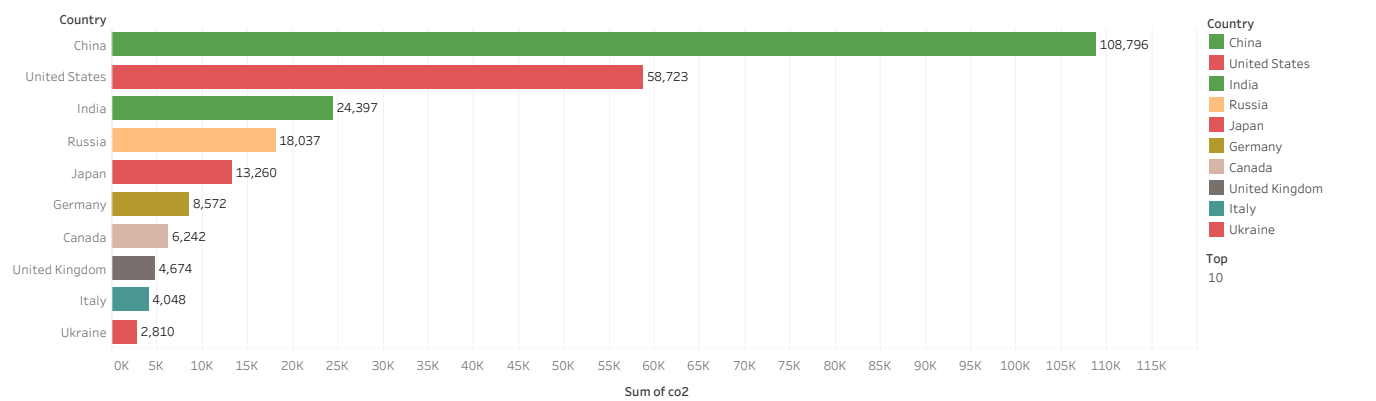

Co2 Emission story

Donut Chart For Coal Co2	Donut Chart for Cement Co2	Donut Chart for Gas Co2	Donut Chart for Flaring Co2	Continents contributing OIL Co2 ..	Co2 Emission over past 10 years	Co2 Emission by India and United States	China vs India in Co2 Emission	Cummulative Co2 per capita
--------------------------	----------------------------	-------------------------	-----------------------------	------------------------------------	---------------------------------	---	--------------------------------	----------------------------

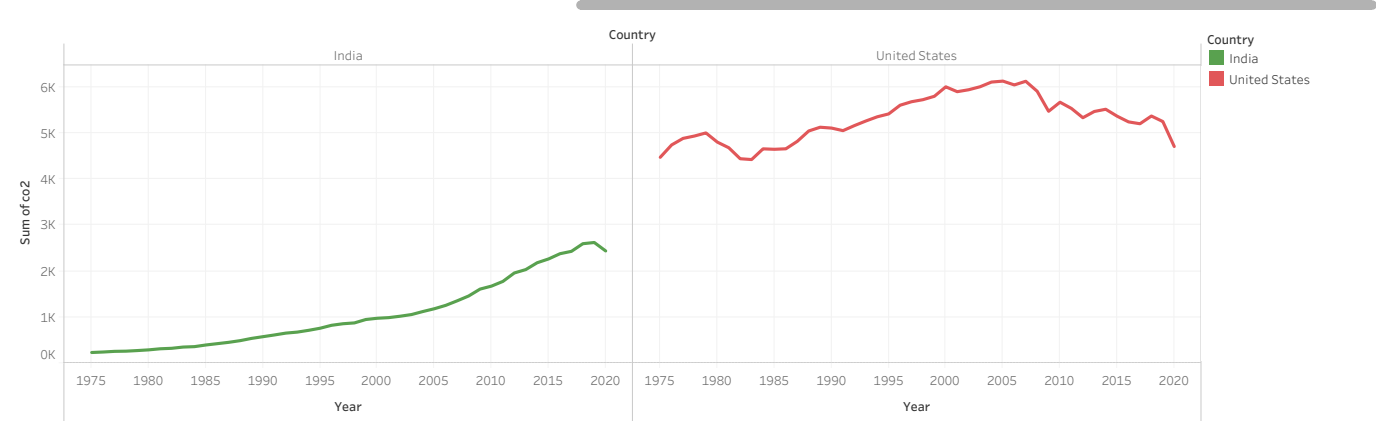

Co2 Emission story

Donut Chart for Cement Co2	Donut Chart for Gas Co2	Donut Chart for Flaring Co2	Continents contributing OIL Co2 ...	Co2 Emission over past 10 years	Co2 Emission by India and United States	China vs India in Co2 Emission	Cummulative Co2 per capita	Co2 emission in 2020
----------------------------	-------------------------	-----------------------------	-------------------------------------	---------------------------------	---	--------------------------------	----------------------------	----------------------

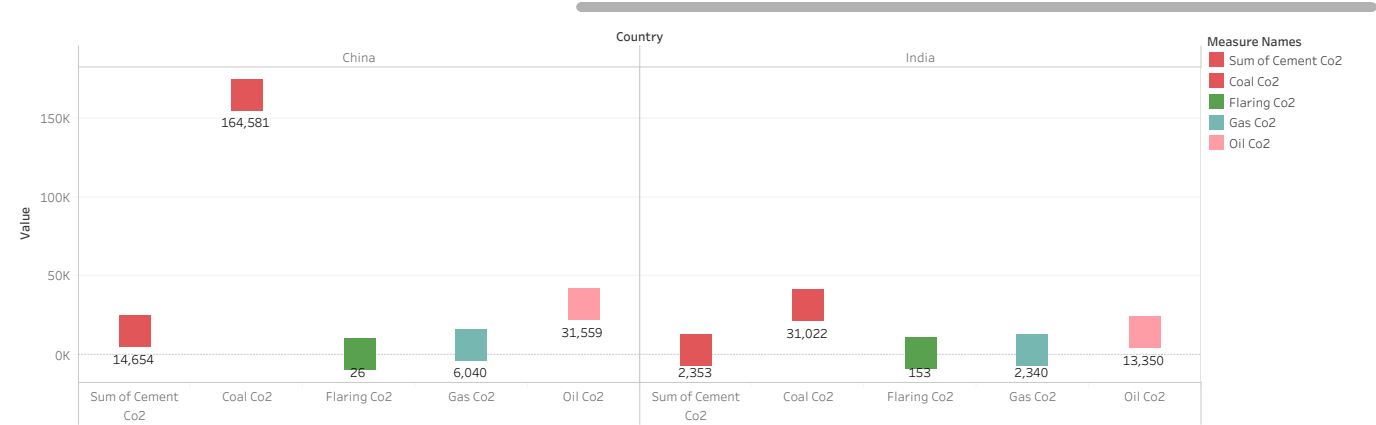

Co2 Emission story

Donut Chart for Cement Co2	Donut Chart for Gas Co2	Donut Chart for Flaring Co2	Continents contributing Oil Co2 ..	Co2 Emission over past 10 years	Co2 Emission by India and United States	China vs India in Co2 Emission	Cummulative Co2 per capita	Co2 emission in 2020
----------------------------	-------------------------	-----------------------------	------------------------------------	---------------------------------	---	--------------------------------	----------------------------	----------------------

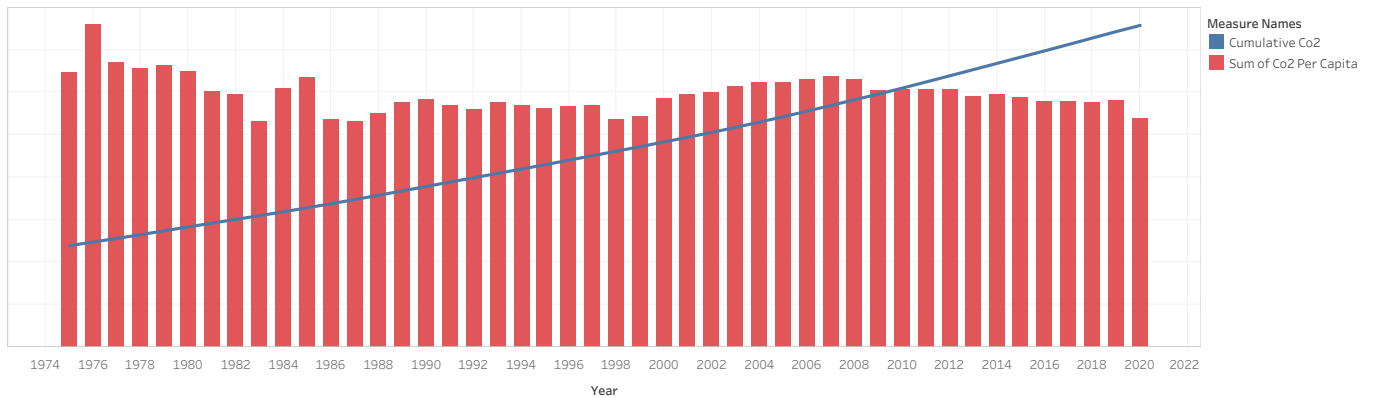

Co2 Emission story

Donut Chart for Cement Co2	Donut Chart for Gas Co2	Donut Chart for Flaring Co2	Continents contributing OIL Co2 ..	Co2 Emission over past 10 years	Co2 Emission by India and United States	China vs India in Co2 Emission	Cummulative Co2 per capita	Co2 emission in 2020
----------------------------	-------------------------	-----------------------------	------------------------------------	---------------------------------	---	--------------------------------	----------------------------	----------------------

Co2 Emission story

Donut Chart for Cement Co2	Donut Chart for Gas Co2	Donut Chart for Flaring Co2	Continents contributing Oil Co2 ..	Co2 Emission over past 10 years	Co2 Emission by India and United States	China vs India in Co2 Emission	Cummulative Co2 per capita	Co2 emission in 2020
----------------------------	-------------------------	-----------------------------	------------------------------------	---------------------------------	---	--------------------------------	----------------------------	----------------------

Co2 Emission story

Donut Chart for Cement Co2	Donut Chart for Gas Co2	Donut Chart for Flaring Co2	Continents contributing OIL Co2 ..	Co2 Emission over past 10 years	Co2 Emission by India and United States	China vs India in Co2 Emission	Cummulative Co2 per capita	Co2 emission in 2020
----------------------------	-------------------------	-----------------------------	------------------------------------	---------------------------------	---	--------------------------------	----------------------------	----------------------
